**PUBLIC COMMENT**

There were no comments from the public.

Mr. Morley noted that the Board of Supervisors, at their Sept. Work Session, announced that there will be a joint meeting with the Sewer Committee on Oct. 22, which is the date of the Sewer Committee's next meeting. At that time they should have some actual costs for the sewer lines that have been proposed specific streets in the western district. The Board should also have financial information for the joint meeting. RFPs were received from 6 financial institutions, which have been given to a hired consultant for review. Hopefully, all of the questions raised by the residents will be answered at this meeting.

**APPROVAL OF MINUTES**

On a motion by Mr. Jacquet and seconded by Mrs. Ricciuti, all members present voted “aye” to approve the August 27, 2009 meeting minutes, as amended.

**OLD BUSINESS**

**West Side Sewer District - Update:** Mr. Morley reiterated that the Board scheduled a joint meeting with the Sewer Committee on Oct. 22.

**NEW BUSINESS**

**Township Manager’s Report:** Mr. Morley briefly highlighted the Township Manager’s Report.

**2010 Budget:** There was a consensus to request that the Board of Supervisors allot \$2,100 for the 2010 Sewer Committee’s Budget, which is what was budgeted for 2009.

**NEXT MEETING** – Thurs., Oct. 22, 2009

**ADJOURNMENT**

On a motion by Mr. Jacquet, seconded by Mrs. Ricciuti, the meeting was adjourned at 7:10 p.m.

Respectfully submitted,
